

THE HELP GROUP'S

# STEM<sup>3</sup> ACADEMY

2018 SPRING SCHEDULE

## AFTER SCHOOL PROGRAMS – CULVER CITY

For bright, curious, technology-driven K–12th grade students with social and/or learning differences

STEM<sup>3</sup> Academy is excited to be offering NEW after school programs. Staff supervision, snack and homework assistance are provided at no extra charge for Help Group students from 3:15pm to the start of classes at 4:00pm. All classes will run from 4:00–5:30pm and will occur twice a week.

### Digital Animation

Learn how to use Adobe Flash to create stories, characters, and new worlds through animation. We will delve into design concepts, including quality of motion, layout and composition, color, and form. This program will cover a variety of animation formats and will give students the freedom to experiment with various techniques in order to create their own 1–3 minute animation short.

**Mondays and Wednesdays**

Starting May 14

**Ages:** 7–10 and 11 and up

**Cost:** \$250 for 8 sessions

### Game Design

We know you like to play video games, but can you design your own? This course is for the beginner in video game design and development—students will analyze existing games and media, and tackle a game development project of their own. Software used may include all or some of the following: Unity, Photoshop, and Maya.

**Tuesdays and Thursdays**

Starting May 15

**Ages:** 7–10 and 11 and up

**Cost:** \$250 for 8 sessions
